88	Pitkin County maintains 111 miles of paved roads and another 153 miles of dirt and gravel roads. The average current condition of our county roads was ranked "fair" in the recently completed Pavement Management Report. Road maintenance and construction costs have increased at 14% per year since the year 2000, while county revenues have increased 5% per year. In order to maintain roads in the fair to good condition to which we are accustomed, Pitkin County must raise more revenue.
